

ACCOMMODATION

Hotels, self-catering, bunk-houses and camping are all available here or very nearby ... If you want to maximise the outdoor experience, try our 'Team Camp'

Team Camp

Our famous Team Camp is made up of 3 Bunk Barns with Central Log Cabin, an ideal 'away from it all' environment for a full team experience (self catering or catered for).

Located in the centre of the Estate, easily accessible, yet far enough away to feel totally isolated, the Team Camp can sleep a total of 36 people, (max of 12 in each Barn). Carpeted, heated and insulated the Barns are fantastically comfortable and perfectly compliment to the Rustic Lodge.

Summer Camp

A truly unique and wholesome experience for your annual company, department or team conference at exceptional value for money – try our summer camp.

This Summer Camp is set up every year with the sole purpose of allowing companies to experience the best in team events, *without* giving up your arms and legs to pay for it.

Your group will stay on the camp site set on the edge of beautiful woodland, equipped with piping hot showers, . The central marquee can host hearty BBQ's, hog roasts, in keeping. It can then be transformed into a dance tent so you can party the night away. **(Between 50 and 1000 participants at a time)**
