WELCOME TO THE CAMP

As you enter the exclusive 450 acre estate, past the Orangery, with its high quality conference facilities (including wireless broadband), imagine the challenges that lay beyond. From the Aerial Extreme high ropes course, to the Crashed Plane, Gemini Mud Buggy Racing, Shooting Activities and the innumerable physical and mental challenges in-between. The choice is vast, and the only rule is that you'll have fun!

Your group will stay on the camp site set on the edge of beautiful woodland. The central marquee can host hearty BBQ's, hog roasts, or even high class dinners. It can then be transformed into a dance tent so you can party the night away.

Camp Hill is matchless in the UK with the range of activities, challenges, tasks and events that it offers, and Summer Camp allows you to experience these at exceptional value for money.

With your help we will design and build your own unique Summer Camp programme...
